1/4 inch seed depth  
-----  
spacing: one seed every inch

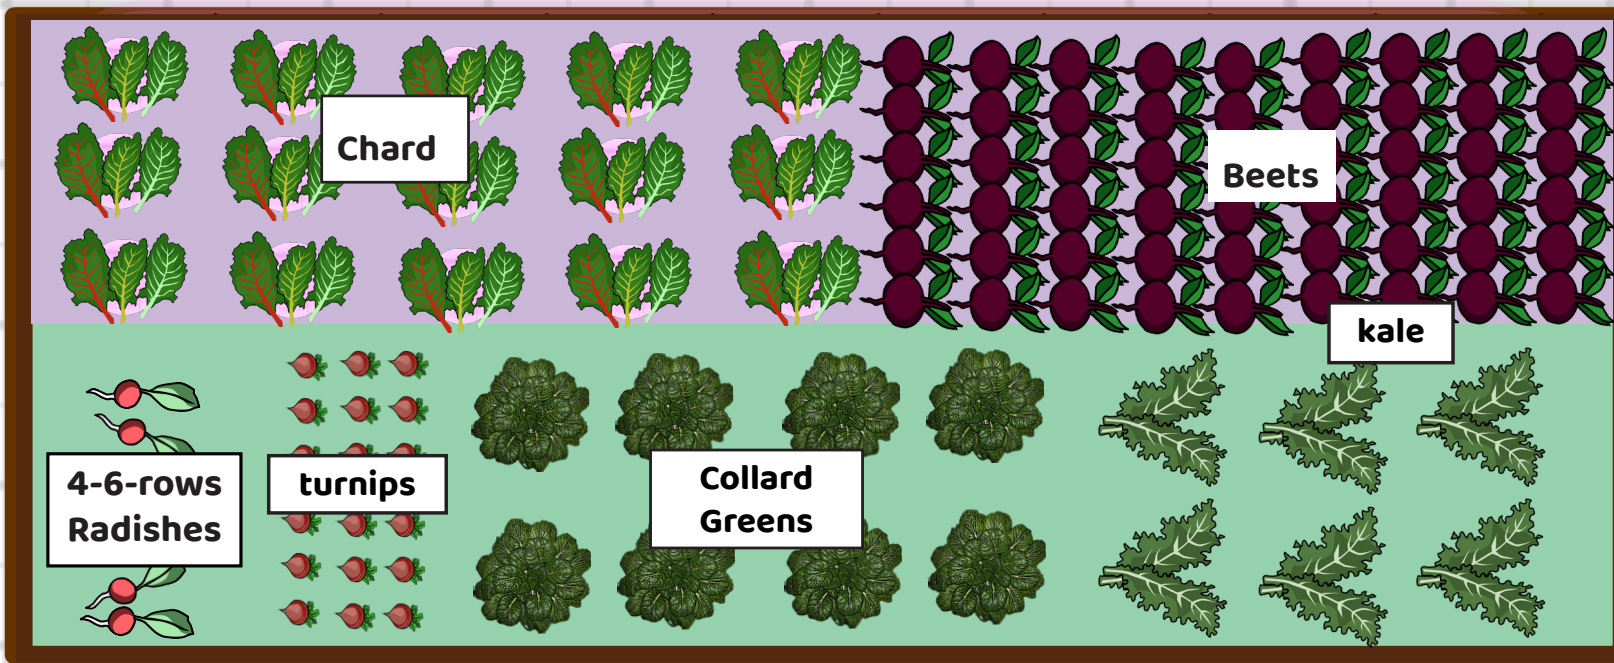

**kale**

1/4 inch seed depth  
-----  
spacing: a group of 3 seeds per foot

**collard greens**

1/4 inch seed depth  
-----  
spacing: a group of seeds every 12-18"

4' x 10'

1 foot

Hello Crest View Garden Team:

Here's wishing you a wonderful planting! Without you, this partnership between your school and Garden to Table wouldn't work. Thank you so much for being a garden lead.

### A Few Notes about your Delivery:

**Maps:** In making your maps each year we pay very close attention to crop rotation. In the table below, "CC" stands for Cover Crop. Asterisk denotes a lettuce bed.

Crest View	2017	2018	CC? 2019	CC? 2020	2021	CC? 2022	CC? 2022
Bed 1	Nightshades	Cucurbit Y	Brass/Beetroot	Y	Carrot	Y	Nightshades Y Cucurbits
Bed 2	Cucurbits, Nightshades	Brassica Y	Cucurbits	Y	Nightshade Y	Y	Cucurbits Y Nightshades
Bed 3*	Legumes, Cucurbits	Nightshades Y	Carrot	Y	Legumes Y	Y	Brass/Beetroot Y Carrot
Bed 4*	Beets/Brass/Carrot	Cucurbit Y	Legumes	Y	Brass/Beet Y	Y	Carrot Y Legumes
Bed 5*	Cucurbits	Legum Y	Nightshades	Y	Cucurbits - Y	Y	Legumes Y Brass/Beetroot
Kinder	cucurbit, Allium	Beetroot Y	Nightshades	Y	Cucurbits - Y	Y	Allium Y Legumes
Kinder	cucurbits, corn	Brassica Y	Carrot / Legume	Y	Cucurbits - Y	Y	Allium Y Legumes
Kinder	cucurbits, nightshades	Carrots Y	Brass/Beetroot	Y	Cucurbits - Y	Y	Nightshades Y Legumes
Kinder	Beetroot, Carrot, Allium	Nightshades Y	Cucurbits	Y	Cucurbits - Y	Y	Nightshades Y Legumes

Because crop rotation helps with soil fertility and reduces pest and disease pressures, please spend some time before the planting to be certain your map is oriented correctly. Some parent leads like to place each page of the map in its corresponding bed for volunteers/teachers/students to easily reference. This is why we print the pages single-sided.

**Watering:** Please keep your starts moist (but not soggy) prior to planting. This will prevent transplant shock and make them easier to handle. After planting, please gently water seeds and starts. Our team will more deeply irrigate when we return later in the day. We'll also install tomato cages with protective plastic.

**Trays and Plastic Containers:** We grow our own plant starts in washed/repurposed containers. Please disregard what's written on any stickers attached to pots. Also, please gather up the containers once the planting is finished. We'll take these away to wash and repurpose again next year.

**Leftover Seeds:** Please leave your leftover seeds in the white plastic tub (ideally in a shaded location) for us to pick up after the planting and use for replanting what doesn't germinate. We'll make sure they don't go to waste!

Please let us know if you have any questions. Happy Planting from Garden to Table's Garden Team!

### Contents of your Delivery:

**For Cucurbit Beds**

- Winter Squash Seeds
- Pumpkin Seeds
- Sunflower Seeds
- Summer Squash Seeds
- Cucumber Seeds
- Nasturtium Seeds
- Lettuce Seeds

**For Carrot Bed**

- Carrot Seeds
